EXHIBITIONS

INDIA'S PREMIERE SCIENCE AND TECH EXHIBITIONS

Prizes worth Rs 30K!!

To all the engineers who have a model rocket with a fully functional propulsion system (that they made because they were bored): we want you to show off these technical skills in PravegaXII's Exhibitions. If you have a wicked smart piece of science – be it an experiment, a simulation, a hardware model, a creation of Phineas and Ferb proportions, anything! – just lying around, waiting for the recognition it deserves; bring them over to us and you may stand a chance to win incredible prizes and show off your creations at IISc itself!

EVENT DETAILS

Exhibitions will be conducted both online and offline:
- Online prelims for students from all over India from which 5 teams will be selected for the Grand Finale from each category.
- The online prelims will be a video submission describing the project in under 10 minutes.
- Grand Finale during Pravega in February

Dates
- Online prelims deadline : 30th November 2025
- Finals to be held at IISc during Pravega in February
- The submission link will be sent after registration

Eligibility
- Tier 1: High School students up to Class 10
- Tier 2: Classes 11, 12, Undergraduates

Participation is allowed as teams of up to four

.
